Ivan Franko National University of Lviv has different Exchange agreements with many higher education institutions in European and participates in several European exchange programmes such as Erasmus+, Tempus, Horizon 2020, ISEP, Fulbright, IREX, DAAD and others. Our partners in the world are **130** institutions and **38** countries.

How to apply successfully and to receive the best experience of studying abroad we will discuss during this course “International Education Programmes and Business-Projects”.

We expect the best results in:

- preparing all necessary documents (Your CV; Motivation (Cover) letter; Language Assessment Sheet; Learning agreement for studies);
- Successful Self-presentation in challenging situations;
- Bestanswers on typical Interviewquestions (FAQ – frequently asked questions);
- Interesting meetings with Erasmus+ Students, who will share their studying and living abroad experience with You)

How to become a part of the European company and to receive Your first working experience due to such programmes as «Leopolis for Future», «Study Tours to Poland», Internship Programme of German Business for Ukraine and many others...?

We will prepare all documents and apply for!
